- iii. Practice frequent hand washing (for at least 40-60 seconds) even when hands are not visibly dirty and use of alcohol based hand sanitizers (for at least 20 seconds).

Any staff requesting home quarantine based on the containment zone activities in their residential areas should be permitted to work from home.

Government of Odisha guidelines with respect to organizing meetings, coordinating visitors shall be scrupulously followed.

#### 5. Measures to be taken on occurrence of case(s):

Despite taking the above measures, the occurrence of cases among the employees working in the office cannot be ruled out. The following measures will be taken in such circumstances:

When one or few person(s) who share a room/ close office space is/are found to be suffering from symptoms suggestive of COVID-19:

- 5.1 Place the ill person in a room or area where they are isolated from others at the work place. Provide a mask/ face cover till such time he/she is examined by a doctor.
