General Conditions:-

Inspected the vehicle bearing registration no: OSK-6171 and verified the chassis no and engine no. This vehicle has outlived it's life (31 years old vehicle and has covered 52174 Kms) and found in dilapidated condition. It is in such a condition that permanently incapable of being used. Also plying the vehicle on road is unsafe for general public. Moreover repairing cost to make this vehicle roadworthy is uneconomical. Hence I recommended for condemnation of the above vehicle.
