Sub: Guidelines for selection of SHGs for supply of vegetables, groceries & toiletries, poultry items in SSD Schools.

Madam/ Sir,

Self-Help Groups under Mission Shakti today undertake a wide range of economic activities and generate substantial incomes, enabling financial stability and empowerment of lakhs of women in the State. ST & SC Development Department is operating approximately 6700 hostels across the state with the objective of providing basic educational facility and improving the quality of education in the State. More than five lakh ST/SC students belonging to most vulnerable and marginal ST/ SC communities of the state are staying as boarders in the hostels attached to both SSD schools and S & ME Schools.

There is a constant need for proper & effective functioning of the residential schools which includes management of mess activity, safety & security of students, health status, sanitation & cleanliness, academic progress, status of infrastructure etc.

In a bid to shift the additional responsibilities of the teachers from procurement of items for mess management along with empowering the women self-help groups (SHGs) it is proposed to involve the SHGs for supply of vegetables, groceries & toiletries, poultry items required for hostel management activities.

Hence, it is of utmost importance that the field functionaries of the Department of Mission Shakti identify the suitable SHGs for supply of the various items for smooth hostel management of the ST & SC Development Department, so that this programme can be grounded by March 2022.
