I, Sri/Smt in the capacity of (Designation) of organization is applying for the construction of a cu.m. biogas plant (minimum 6 cu.m.) of the Deenbandhu model. We have numbers of cattle inside our premises. We also declare that no biogas plant has been established within the premises as of date and we have sufficient land available inside the premises for the construction of a biogas plant. We undertake to complete the construction of the bio-gas plant within four months from the date of sanction and intimation to us by the BDO..... (Block Name). We agree to cooperate whenever any Government official visits for inspection of the plant and will provide all necessary information and support. We understand that the institution will have to take full responsibility for filling cattle dung in the plant and carry out necessary maintenance for the same. The slurry generated will be safely managed and will not be thrown in drains and open spaces. Photocopy of the relevant documents are enclosed.
