PREPAREDNESS PLAN

4.1 Preparation/Updating of Disaster Management Plan of Block.

SI No.	Activity	Timeline (Month/Year)	Remarks
	Preparation of BDMP	September, 2023	
	Sharing of Plan with Stakeholders	September, 2023	
	Review of the Plan	February (Each year)	
	Updating of the Plan	March (Each year)	

NB: The plan once prepared should be shared with all the stakeholders and to be reviewed at least once every year preferably in the month of March and the necessary changes to be incorporated for updating the plan.

4.2 Preparedness at the Gram Panchayat level

4.2.1 Village Disaster Management Plan:- The development of Disaster Management Plan at village level and the capacity and resilience of the community to equip them with skill so that management of various hazard can become a way of life for them. The document will have the local community prepare for and to respond to disaster effective. In first Phase of VDMP 30 villages of Nabarangpur Block have been taken up and in Second Phase 11 villages will be taken up.

4.2.2 Gram Panchayat Disaster Management Plan:-

It aims to develop a culture of disaster resilience at the grassroot level among the Panchayats/ Villages and Rural Local Bodies. It seeks to establish a frame work align the disaster management measures in rural areas. All the stakeholders including PRIs and Govt. functionaries of Panchayat are to participate in planning implementation and evaluation of the plan. As PRI, the representative body of the people is the most appropriate institution from the village to District level, the close involvement will be able to make people more prepared for counter natural disasters as well as involve them in all possible preventive and protective activities so that the impact of disasters could be mitigated and people could save their lives and property.

4.2.3 Tsunami Preparedness Plan Not necessary

4.2.4 Table top exercises & Mock drill

The objective of mock drill is to review the emergency preparedness plan of the organization and evaluate standard operating procedure, so that concerned persons could deliver their duties effectively while keeping in cognizance of life and property. If the employees and concerned stakeholders are trained, then the response during emergency would be smooth and effective. Every year Table top Exercises is being conducted in Nabarangpur Block on 18th June and Mock Drill on all the MPFC on 19th June.

4.2.5 Table Top Exercise to assess preparedness:-

1. Improve the coordination between all the line departments along with its stakeholders to make more effective of rescues.
2. All the flood effected people should be included under different flagship programmer are being implemented by the govt. for the immediate restoration/renovation for their damage of property.
3. For immediate response inventory of all available resources in the district should be made.
4. All the stakeholders and Govt. and Line Department Officials should be properly trained to combat against disaster.
5. SOP should be prepared for the grass root field functionaries.

4.2.6 Training & Capacity building in the Block:-

Training and capacity Building programme is being conducted in the Block among all the line department officials to create awareness to tackle any type of Disaster. Block Level Disaster management core committee has been constituted by the all line department Officials. Committee of 17 villages during 1st phase of village Disaster management Plan has been sensitized.

Chapter VII

7. MITIGATION PLAN

7.1 Sector wise Vulnerability Reduction Measures considering G.P plans:-

Mitigation planning reduces loss of life and property by minimizing the impact of disasters. It begins with identifying local disasters and vulnerabilities that are common in their area. After identifying the risk the

Panchayat/ Block develop long term strategies for protecting people and property from similar events. Mitigation plans are a key to backing of Cycle of disaster damage and reconstructions. In Nabarangpur Block flood is a casual hazard. Accordingly vulnerability reduction measures have been taken up in both GP Plans and Block Plans which includes construction of flood protection measures in river Indravati and Turi by Irrigation Department, High Level Bridges by RD Dept. Infrastructure activity by PR & DW Deptt. Etc.

7.2 Community level Mitigation Pogramme

Include hazard specific mitigation measures and schemes Proposed in the GDPD

SI No.	Name of the Gram Panchayat	Hazard Specific Mitigation Plan for	Required Intervention	Executing Departments	Fund Required	Time Frame
1.		Flood	Const. of MFS at	PR&DW	95,00,000/-	
2.		Flood	Const. of MFS at	PR&DW	95,00,000/-	

7.3 Short Term Mitigation Plan-

- A list of schools to be used as shelters will be available with the GP and Block administration along with the names and contact nos.of the nodal persons.
- Similarly number of vulnerable people who are likely to take shelter should be made available with the nodal teachers of the concerned schools.
- All nodal teachers to be included as members of the BDMC and GPDMC.
- Emergency Preparedness and Response plans of such schools shall be prepared and shared with the Block Officials.
- Required nos of toilets, water points, cooking arrangements, ramps etc.shall be ready.
- Students, teachers and parents teams shall be trained for shelter management.
- Do's & Don'ts with important contact nos shall be written in local language and put in prominent places.

7.4 Medium Term Mitigation Plan:-

- People shall be made awareness in advance.
- They shall shift to safe places that is Temporary Flood Shelter or MFS.
- Provide them free kitchen, medicine and Sanitary wares.
- Until the flood shelters are constructed, the schools where people are shifted during flood may be used as flood shelters.
- Identification of adolcent Girls and SHG Members and to impart training on First Aid, Search & Rescue, Psycho Social Councelling.
- To develop understanding and general awareness of the insurance procedures.

7.5 Long Term Mitigation Plan:-

- Construction of bridges and embankments over the rivers and building of flood shelter near the flood-prone areas.
- Moreover other safe shelters should be constructed at high land, with good communication facility.
- Telephone department shall ensure and maintain uninterrupted communication system across the district, especially in vulnerable areas
- List of important telephone numbers will be made available to all concerned
- Solar Chargers with multiple charging facilities shall be in place in sufficient number for charging the mobile phones.
- Police Wireless are set to be placed in Block Headquarters and should be open for 24 hrs before the monsoon strikes
- Physical verification of the status of all the drinking water sources and community toilets.
- Appropriate corrective measures will be taken based on the information, received by the verification team.

7.7 Integration of the mitigation plan into GPDP:

Disaster Mitigation focuses on the hazard that causes the disaster and tries to eliminate drastically its direct efforts which include construction of dams, coordination of release of water from Indiravati and Turi flooding in downstream areas. The mitigation for drought includes controlling land use pattern, diversification of economic activities to act as insurance to offset losses in different sectors.

Mitigation cannot be successful unless it has the backing and support of all concerned, Administrative Dept. and Community. So it also becomes imperative to have integration with different developmental plans like, Intigration of Block Disaster Management Plan (BDMP) with Gram Panchyat Development Management Plan (GPDP). As 55 villages of 13 G.P.s of Nabarangpur Block are vulnerable to flood and almost all Gram Panchayats may be affected by drought. These are some flood-specific mitigation plans which have been approved in the Panchayat Samiti meeting of Nabarangpur Block and will be integrated with GPDP. To mitigate drought crop contingent plans have been prepared by Dept. of Agriculture and Farmers Empowerment and water harvesting structures have been created by Dept.of Watershed and PR & DW Dept.

The List of Mitigation Projects is as follows:-

SL	Name of the Village/ GP	Hazard Specific Mitigation Plan	Required Intervention	Executing Departments	Fund Required	Time Frame
1.	Badamasigam	Flood protection wall at Ambadola-2022-2023	1.Bhatiguda protection wall 2. Dudriguda Road	Panchayat Samiti.	Depends on as per required activity	Depends on nature of works
